Candidates want to keep schools running smooth

In this the season of politics, it is only fitting that another election time is upon us. Antioch High and Grade Schools, and Emmons and Grass Lake Grade Schools will be holding school board elections from 1 to 7 p.m., Saturday, April 12.

All candidates seeking election or re-election, wholeheartedly support the activities of the respective school boards. Everyone seeking office is basically concerned about becoming or staying involved with school activities, and feel that being a board member is one very constructive way of supporting the educational activities in the Antioch area.

Six people seek three, three-year terms on the Antioch High school board. Two incumbents, Robert Lindblad and Bette Meyer seek re-election, while board member Howard Bonner is giving up his seat.

Robert Lindblad, who has been on the high school board for 16 years, has served seven years as board president. He cited keeping the school in good financial standing as a reason to stay on the board. "Everything is going pretty good financially," he said, "with my experience I hope I can help it go that way a little longer."

ANOTHER INCUMBENT, Bette Meyer is running because she enjoys being part of the administration. "This school is something to be proud of, and I'd like to stay a part of the administration that I feel is doing an excellent job," she stated. Mrs. Meyer has served on the board for 12 years.

Others seeking election include Maryanne Kaht, Frank Walsh, Jr., Julia Portalski and Lou Crawford.

Roadwork begins on Antioch's main drag

The Illinois Dept. of Transportation has begun work on Antioch's "main drag" over the past week, and according to Antioch Public Works Supt. Walt Shepard, the work is beginning at the hard part. "There is an inconvenience to everyone when renovation takes place," he stated, "but the worst will be over."

The worst is what the department is working on right now: curbing. "After the curbing will come the storm sewers, then asphalt and then the readjusting of manholes," Shepard said. He also added that the department has pledged the work to be done in 120 days.

The entire area taken in the project will be the general rebuilding of Rte. 83 from Rte. 173 to North Ave. The old surface will be taken off, a new one put on, and traffic signals will be redone.

Other projects the Antioch Public Works

Dept. will hopefully be working on this spring are the rehabilitation of Orchard St. and other streets in Oakwood Knolls, Sequoit Terrace and Village Green subdivisions. "We'll know how much we'll be able to do in a couple weeks," Shepard said. "We're waiting for committee approval, and then bid openings," he added.

The village's part of the major work on Main St. is \$35,000, according to Shepard.

Good news in The News

Plant a garden

Antioch Parks and Rec Dept. Director Glenda Tomaschik is seeking input on the possibility of renting garden plots.

According to Mrs. Tomaschik, land has been donated, and the department is thinking about putting it to this use.

As yet, there have been no rules set, but there will be a small rental fee with a returnable deposit.

Suggestions are welcome at the parks office in the village hall or by phoning 395-2160.

Winter over? Robinson hopes so

Hang on to your hats—if the weather holds out for another month, spring should be in full swing.

According to Tom (Robbie) Robinson, Antioch's official weather observer, total snowfall at the end of March was up to 94.3 inches in 1979, but 9.4 inches fell during the month of April to bring the total up to 103.7 inches for the winter. "We sure have had a nice winter so far," Robinson said. "Hopefully there won't be any more snow," he added.

Total snowfall at the end of March of this year was 36.9 inches, with 10.6 inches falling last month.

Temperatures, however, were below last year's with the average high at 37.9 degrees compared to last year's 41.65. The mean temperature this year was 20.55, and last year's was 32.13.

SPRING IS HERE — Eleven-year-old Tiffany Christopoulos is happy with basket full of goodies she found during Antioch Parks and Rec Dept. sponsored Easter egg hunt held on April 5. Antioch Jaycees, and VFW also helped with event held at Little League field on sunny Saturday. Along with the hunt, there was a jelly bean guessing contest, and a special appearance by Easter bunny was made. throughout Antioch in many youth activities, is seeking election to keep the school good. "If I'm elected, I hope to see that the kids get the best education possible with the funds that are available," he said.

Mrs. Kaht, cites fiscal responsibility as her reason for running. "I feel responsible to know where and how tax dollars are being spent," she said. She stated concern about the spending of older and younger taxpayer's money. "They may not have children in the system, but I want to see that their dollar is spent right."

LIFELONG ANTIOCH resident, Mrs. Portalski has worked as a hall supervisor at Antioch High and really likes kids. "My experience within the school itself qualifies me, I feel. I'm just a concerned parent that would like to get involved," she stated.

Lou Crawford, who originally filed a petition, has, due to job obligations, withdrawn from the race.

Each grade school in Antioch has both incumbents and newcomers seeking board seats.

Antioch Grade School has incumbents Gail Heath, Bruce Jablonski and Garnet Cook seeking re-election, while Val Mitchell, who was unavailable for comment, and Kathy Turner challenge the current members.

Gail Heath, the board's current president, has been on the board six years. She is interested in seeing projects started during her terms, finished. "The main thing right now is to see the cycle completed on a lot of the projects I've worked on," she stated.

Garnet Cook, who has served three years, said, "It really takes one-half of the first term to become aware of what the school board does." She also stated that bringing that valuable experience back, means not starting from scratch again.

SEEKING HIS second term, Bruce Jablonski felt that it is a responsibility to see that the taxpayer's money is spent wisely. "I want to see that the best educational opportunities are had from the dollar available. You can't go out and buy things that you can't pay for," he said. "I also am interested in following through on some of the things we've worked for," he added.

Jablonski is a member of the Antioch Rescue Squad and on the Chamber of Commerce board of directors.

A life-long Antioch resident, Kathy Turner, is very interested in getting involved. "I really think being on the board is a good way to have a say-so in the school's activities," she stated. "The satisfaction with the board job comes with being involved," she added.

There are four candidates seeking three seats on the Grass Lake school board, including incumbents Arleen Olsen, John Steitz and Greg LaPlante. Patricia Sherwood is also seeking a seat, and was unavailable for comment at the writing of this story.

John Steitz has been on the school board for 13 years and is currently serving as

president. He has seen much rehabilitation of the school. "We've virtually rebuilt the school from the bottom up," he said. "The school is in good financial standing, and I don't want to leave yet," he added.

Arleen Olsen is another person that is proud of the changes at Grass Lake. "I want to see that good things continue at this school," she stated. Mrs. Olsen has served on the school board for the past three years, and is currently the secretary.

ON THE BOARD FOR four years, Greg LaPlante is seeking re-election because he also wants the school to keep running smooth. "The school has picked itself up by the boot straps, and it is really satisfying to see it running so smoothly," he said.

EMMONS GRADE school has three petitions filed for two, three-year terms, and one petition filed for a two-year vacancy.

Running to fill the vacancy is Susan Schneider. She is a former school teacher and has been active in Emmons PTO. She is also on the library renovation committee, currently working to move the library. "I'm mainly interested in the satisfaction of seeing that things run well," she said.

Carl Fischer, Ann Kaiser and Tom Piskor are seeking the other openings. Fischer and Mrs. Kaiser are both incumbents, while Piskor is the challenger.

"I am like everyone else in watching how tax dollars are spent," Fischer stated. "I'm interested in seeing that the money is spent wisely, and that Emmons can continue with good education," he added. Fischer has been on the board for three years.

MRS. KAISER has also been on the board for three years. She is also concerned about keeping Emmons education good. "I want to make sure that kids still get a good education, while at the same time, keep the budget balanced," she stated.

Tom Piskor, who has been in the area for three years, is interested in getting involved in the school. "My littlest will be starting at Emmons next year, and I just think it's important to be involved," he said, "and besides, no one should run unopposed."

Las Vegas comes to Antioch

The Antioch Jaycees and the Antioch Vikings Junior football league are readying for the fifth annual Las Vegas night from 7 p.m. to 1 a.m. on Saturday, April 19, at the Antioch Action Center.

The \$5 admission includes: \$5000. play money, and a chance at three prizes, first prize being a trip to Las Vegas; second prize a weekend in Wisconsin; and third prize six monthly dinners in area restaurants.

Outreach at village hall

The community outreach program, sponsored through the Lake County State's Attorney's office, will have a representative in the Antioch Village Hall from 9:30 a.m. until noon on Saturday, April 12.

The purpose of this program is to lessen the work load in the office by making social workers available in target areas to handle questions. "We get so many people talking to attorneys that really don't have the type problems that an attorney can help them with," stated special assistant to the state's attorney, Millicent Berliant.

Haley wins beans

The Antioch Parks and Rec Dept. sponsored Easter egg hunt on April 5; was a huge success with many area youngsters finding eggs and treats at the Antioch Little League field. The VFW and Jaycees also lent a helping hand in the affair.

Besides a visit from the Easter Bunny, youngsters and adults had a chance to win a jar of 1,221 jelly beans and two tickets donated by the Antioch Theatre for an upcoming movie. Guesses were made in six age groups.

Winners of two movie tickets were DJ Butenschoen, two and three year olds, guessing 1,202; Kara Cain, four and five year olds, guessing 1,200; Stacey Bianco, six-eight year olds, guessing 1,200; Demetrious Maravelas, nine-11 year olds, guessing 1,077; Brenda Bianco, 12-13 year olds, guessing 1,000; Ed Haley, 14-adult, guessing 1,211.

Haley won the jelly beans for being the closest to the amount in the jar.

SPORT FASHION — Cathy Neiss, left and Jan Habura, right, pose with Jannine Glassmann of Gibbs and Jensen Carousel, one of the stores participating in the Emmons PTO Fashion Show. The show will be held April 24 at Crescent Bay Landing in McHenry. Tickets for the show entitled A Fashion Affair . . . Yesterday, Today and Tomorrow are available for \$10 from stores participating in the show. Yellow Brick Road and Four Squires; and at the State Bank of Antioch and Emmons Grade School.

WHAT IS ROOT CANAL

Years ago, a badly infected tooth was doomed to be pulled. Today, that's a last resort. Root canal treatment consists of: 1.) the removal of the infected pulp that lies within the root canals of the tooth, and 2.) the sealing of the root ends to prohibit any further infection.

The pulp is the tooth's center core of soft tissue (nerves, blood vessels and fibers). When the dentist removes a "nerve" from a tooth, he really removes pulpal tissue that contains the nerve.

Removing the pulp from the tooth does not produce a "dead" tooth. It will be very much alive and functioning because it has a source of blood and nerve supply from the surrounding tissues that hold it in place. The tooth will have no sense of feeling because the nerve has been removed, but the tooth itself will be fine: it should last as long as your other teeth and could even be eventually used as an anchor tooth for a denture bridge.

A public service with the aim of promoting a better dental health environment. From the office of: **ROBERT J. PAULETTI, D.D.S., Route 1, Antioch. Phone: (312) 395-1363.**

Along the way with ANNIE MAE

Though we were all done with voting, but a very important election is still left. School boards throughout the Antioch area have vacancies to fill. It is very important for taxpayers to carefully consider candidates on this ballot. Election will be held for Antioch High School, Antioch, Grass Lake and Emmons grade school boards on April 12 from 1-7 p.m.

Speaking of school boards, everyone's favorite grade school board member, Ed Haley, won himself some jelly beans over the weekend. 1,221 to be exact. Even won the jar they were in. He won the beans at the Antioch Parks and Rec sponsored Easter egg hunt. The hunt went off real well with bunches of kids getting to look for goodies and talk to the Easter Bunny.

PM&L will be opening with their spring show, "Born Yesterday" on April 12. Sure wouldn't miss that—should be lots of fun with an all-star cast and plenty of laughs for the political season.

Guess that there are some really nice looking cars at Lakehurst. A good friend of mine, Mike Babicz, is sponsoring the event, and he told me that there are some real great looking rides up there, even some from the Antioch area. News editor Lisa Wilkie will be judging the cars on Thursday, and I think I'll be going up there too to see the fancy roadsters. Cars sure have changed since I was young—so have the prices.

The Antioch Chamber of Commerce and Industry's industrial committee will be having a meeting on April 10. Still trying to get things going to attract more industry to the area. The general meeting at Harbor Ridge was just great. Trust executive Paul Pavelski and Atty. Michael Gantar had some real interesting things to say about trusts. Speaking of the Chamber, Sec. Dixie is up to the 25 pound mark in weight loss.

Spring is finally here, and I can't wait to see my favorite Chicago Cubs. All this talk about striking really bothers me, though. I remember when the sport was the most fun. Everybody just played it because they loved it. Anyway, I've made my picks for the division finish, and they go like this: Milwaukee Brewers in the American League East; my favorite cowboy's team, the California Angels in the American League West; Houston Astros in the National League West; and the Montreal Expos in the National League East. The weather lately has been just right for baseball too.

Sure do hope the Black Hawks do well in the playoffs this year. By watching them play the Minnesota North Stars the other night, I have to wonder if they're not dying out just in time for playoffs.

Be sure to stop in at the World Famous Village Pub on baseball's opening day on April 10, because Mr. Georgeson will have the hot dogs cooking. His theory is, is if you can't beat 'em, join 'em, and have a hot dog and watch the game.

It's so great to see that the roads are starting to get fixed around here. According to my favorite public works superintendent, Shep, the work should be done in a few months.

Jaycees are working on Las Vegas night to be held from 7 p.m. until 1 a.m. on Saturday, April 19 at the Antioch Auction Center. Should be a great time, and door prizes include a trip to Las Vegas. The night of fun benefits the Viking Football League.

The Park and Rec Dept. is trying to get a gardening space going. There will be more to come on that subject, but Glenda says the plots will be available at a real reasonable cost with a refund at the end of the year. So, plant your flowers or vegetables and watch them grow. Watch for further info.

BEAT THE CHAMP — Sue Galassini, of Antioch, recently bowled in Beat The Champs Contest at Four Seasons Sports, in Sycamore. Ms. Galassini, bowling at Antioch Bowl, carries a 148 average, is sponsored by Awards By Kaydan. She entered Beat The Champs Contest last December in Thursday Afternoon Woman's League at Antioch. She placed first at Antioch Bowl with 706 series earning right to compete at Classic Bowl in Morton Grove. On Feb. 24, she won first place there with a 662 series receiving first place trophy. She then entered finals competition at Sycamore where she bowled a 827 series for four games to place ninth out of 99,012 entries.

All nine year olds will play Triple A ball this year, with none being drafted into Little League, according to league officials. T-ball teams for boys and girls seven and eight years old, will be assigned sometime in late May.

All registered players are expected to be at the scheduled tryouts. If a player cannot be at the scheduled time, contact in advance, Ed Johnson, Little League, 395-0350; double and triple A, Andy Proctor, 395-0805; boys senior league, Russ Cole, 356-6364; girls softball, Lee Greenwell, 395-6796.

Village calls public hearing for revenue sharing funds

Bids for the repair of the water tower were received by the Antioch Village board at the April 7 meeting, and are expected to be acted upon within two weeks after they are reviewed by the public works committee. Four bids between \$22,830 and \$18,750 were received.

Continuing water problems on Garys Dr. were brought before the board by a resident. A complaint of standing water near fire hydrants in the area was referred to Tod Maplethorpe. "There have been complaints before, and we will certainly see if there is some problem," stated Maplethorpe.

In other business, the board moved to purchase three cars from John Teresi Chevy-

Olds. Total cost of the cars amounts to \$21,710 plus trade-ins.

THE BOARD ALSO heard a report, that came as somewhat of a surprise from the planning commission, that the proposed annexation of the Koziol land was denied. According to planning commissioner Tony Starcevic, "the land would require much fill. Most of it is right in the flood plain."

The board agreed to allow Bill Georgeson to run the concession stand at the pool until 1985, and agreed to hire a pool manager at the salary of \$225 per week.

A public hearing to discuss revenue sharing funds will be held at the village hall at 7 p.m., Monday, April 21.

Troop 92 earns high marks at aid meet

Antioch's Boy Scout Troop 92 took two of the top five spots in a field of 18 competitors at the Lakes District Annual First Aid meet held at Grant High School.

Third place was won by Warrior Patrol members Rick Paddock, Jim Borsch, Steve Denny, and Ed and

Mike Stanek. The Cobra Patrol won fifth place, thanks to Phil and Mark Aschbacher, Phil Hettich, John Wierchem and Frank Zeien. Scoutmaster Bernie Dost and two senior Scouts, Paul Hettich and Nick Zeien helped with the judging. Scouts were required to respond to such problems as choking, heat exhaustion, fractured knee, eye burn, broken back, severe bleeding. Their performance in each situation was judged on these criteria: problem analysis, treatment, call for help, transport, and teamwork.

The Scouts were kept busy this winter with a variety of events that included a Klondike Derby, a camp-out at the Scout House, a trip to the Milwaukee Sports Show, and a can collecting project. Upcoming annual events include pitching tents for the Girl Scouts at Hartford, Wisconsin, a weekend camp-out at Galena, and a newspaper and can drive. Antioch area residents are asked to save newspaper and aluminum cans for Troop 92's paper and can drive, Saturday, May 3.

Preserve to honor seniors

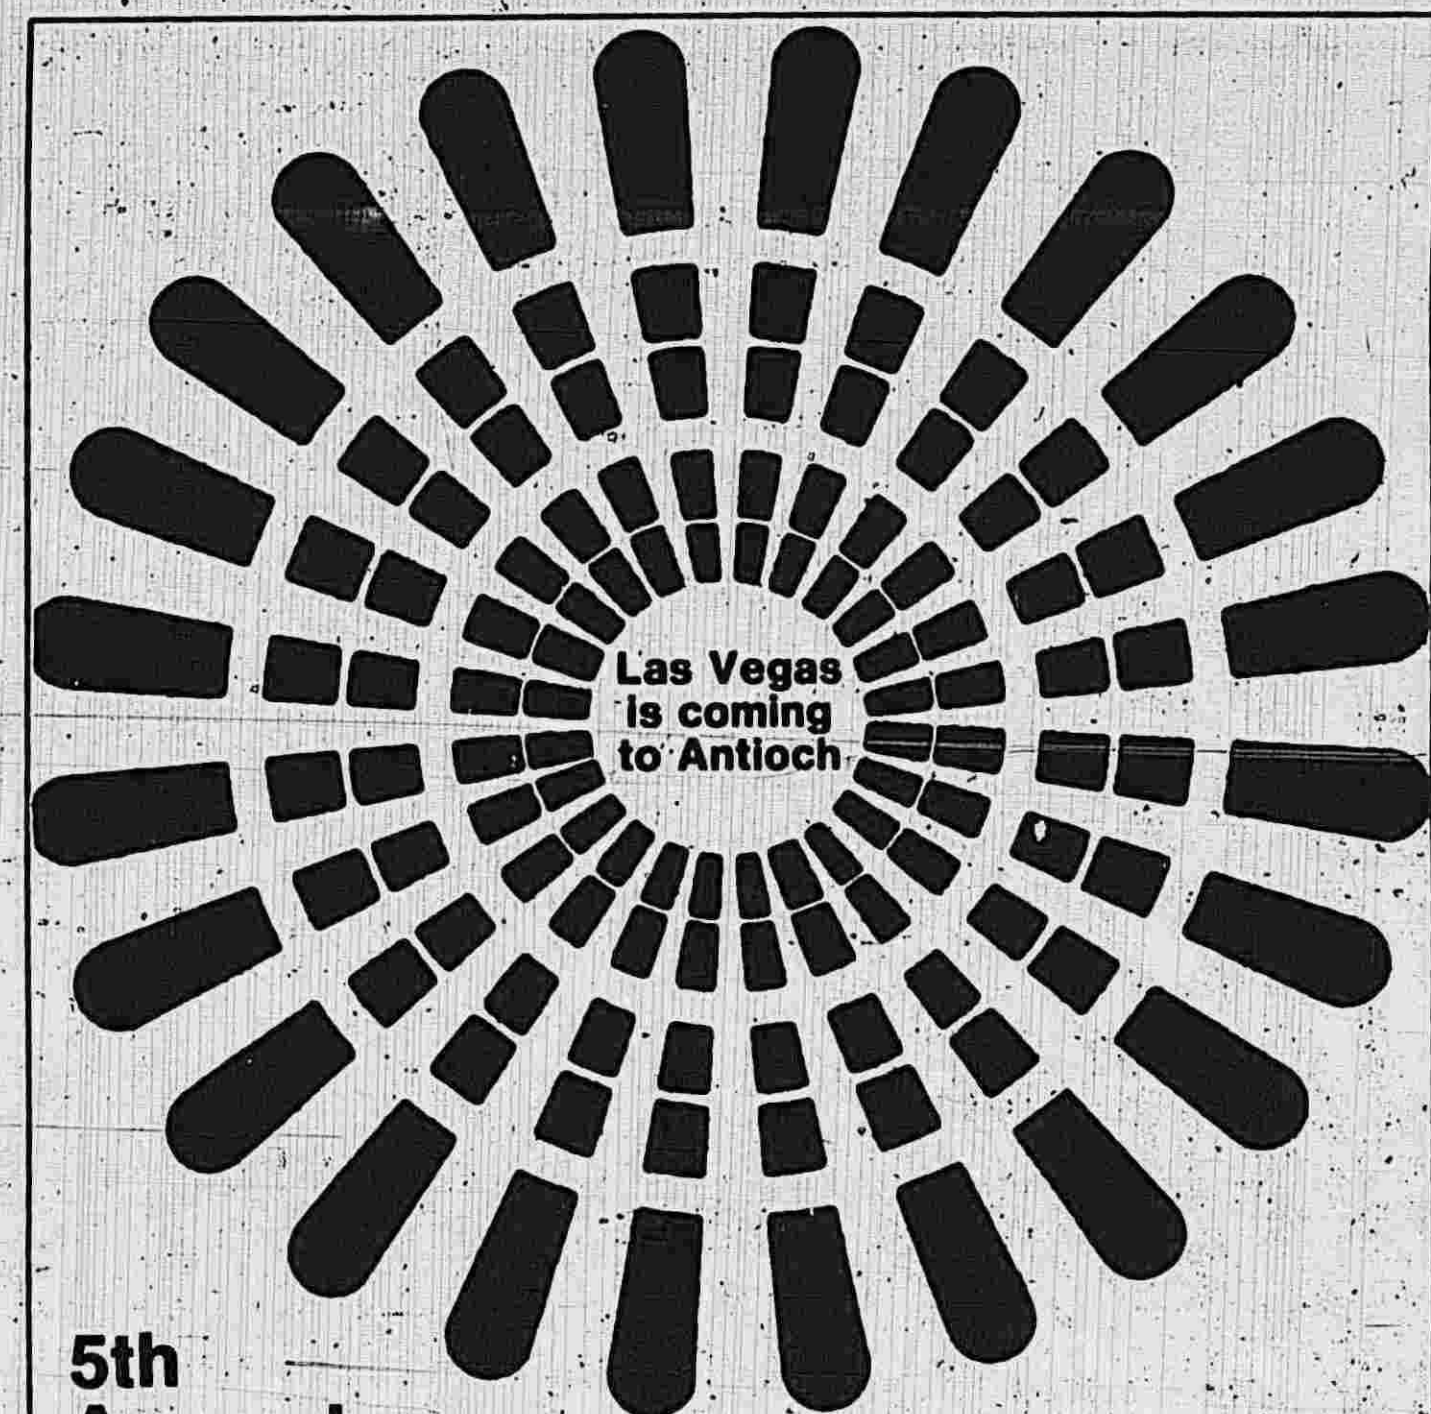

The Lake County Forest Preserve District is sponsoring its eighth Senior Citizens Recognition Day, August 27, at Lakewood Forest Preserve, Wauconda, according to forest preserve district president Don Strenger.

"This day is designed to honor the seniors of Lake County," stated Helen Belmont Amendola, Chairman of the forest preserve's education and special events committee. "One of the ways we do just that is by honoring those that are one-hundred years 'young'."

Anyone who knows of or has information about an individual who is one-hundred years old this year, please contact the Forest Preserve office, 367-6640 or 526-7878.

GREAT SPONSOR — Bill Patterson, left, owner of BJ's Sport Center and Men's Fashions, has participated in Antioch High School's distributive education work-study program since fall of 1972. Program offers students chance to learn retail business from ground floor up. Patterson employed state winner Ray Burnett, center, who placed second in this year's state competition for DE clubs in owner manager level test of general merchandising. According to Keith Ewert, right, course instructor, Patterson has allowed youth to learn all of business activities including attending buying seminars. Patterson has worked with many state winners, including 1976, Roger Aronson, who placed second in sales; 1977, Mark Lewis, first in sales; and 1978, Larry Hanson, second in sales. — Photo by Lisa Wilkie.

PM&L presents opening of 'Born Yesterday'

Garson Kanin's riotous political comedy, "Born Yesterday," opens Saturday, April 12, at the PM&L Theater, 977 Main St. in Antioch. Four subsequent performances are set for Friday and Saturday, April 18, 19, 25 and 26. Curtain time on all five nights is 8:30 p.m.

The big theater event of this political season, "Born Yesterday" should be seen by all Republicans, Democrats, and In-

dependents. The production is directed by PM&L veteran Don Beveroth. The play tells the uproarious story of a wheeler-dealer gangster, Harry Brock, played by Frank DiMarco of Zion, who invades Washington, D.C. There he is confronted by a muckraking journalist, Paul Verrall, Gary Richter, Antioch, who is interested in not only Brock's business but also his showgirl moll, Billie Dawn, Priscilla Gwin, Waukegan. Brock's entourage includes his Harvard-trained lawyer, Frank Greenwood, Round Lake, his hilariously obedient cousin, Hank Apostol, Antioch, his bought-and-paid-for Senator,

George Blanksten, Antioch, and the Senator's social-climbing wife, Dorie Hubbard, Antioch. Others in the cast are Dee Baum, Bill Seemann, Larry Bersie, Darrick Richter, and Nancy Balmes of Antioch; Steven Beno, Wildwood; and Nick Loiacano, Palatine.

A proven and well-established hit, "Born Yesterday" has delighted audiences wherever it has been performed. Moreover, the comedy is eminently timely in this political season. To be sure to see this irreverent expose of government and politics Broadway style, make reservations by calling 395-3055.

Give Martins a home

The Northern Illinois Conservation Club announced that within a few short weeks the return of the purple martin (America's most wanted bird) should be at hand soon.

The martins as well as other members of the swallow family, are insect eaters. This is nature's way of insect control without harmful pesticides.

Since the natural nesting sites of hole-cavity nesting birds has diminished, it is important that bird houses are supplied for the encouragement of the increase of these species. It is imperative in attempting to attract the purple martin to discourage the nuisance birds such as the house sparrow and starling from occupying martin houses. If this has not been done, now is the time to remove the sparrow nests.

Enjoy your home more with a Bilco Basement Door

Whether you're going to build a new home or stay in your present one, a Bilco Door will help you to enjoy it more. It makes your basement just as convenient and useful as the rest of your house — easy to furnish and safe for your family's enjoyment.

If your home was built without an outside basement door, adding one now will open up a whole extra floor of valuable space. Space for recreation, hobbies and storage. Bulky articles move directly in and out; no tracking through upstairs rooms.

As a replacement for a wooden door, the rugged all-steel Bilco Door will add beauty and value to your home — while paying for itself by saving repair costs.

AMERICA'S FINEST BASEMENT DOOR

Stop in and see our display. We'll give you free literature on how to do it. Or, suggest a man to do it for you.

Bowlers are also eligible to earn awards during the tournament. Nora Stiles bowled a 528 series for her patch award and will also receive a state trophy. She is twelve and carries a 126 average in the State Bank League. Susan Steiskal, bowling for Cub's Cove Marina, earned a patch award for her 449 series.

Ten year old Brian Pankauskas bowled 133 pins

over his average. Pankauskas bowls for the First Bank League and earned a state trophy for his 175 game and a patch award for his 406 series. He carries a 91 average in his league. Bowling for Erickson's Sewing Center, Dawn Smith earned a patch award for a 489 series. Her average is 130. Kim Stender earned a patch award for her 485 series. She bowls for Cub's Cove Marina and carries a 129 average.

Bowlers will be notified by mail as to the time they will bowl at Kristof's. Winners advancing from Kristof's will bowl in the State Finals at Suburbanite Bowl on June 14.

Names in the News

Navy Electrician's Mate 3rd Class Anthony F. Markiewicz, son of Ildephonse B. and Lorraine N. Markiewicz of Lindenhurst, recently participated in "National Week XXVIII" in the Mediterranean. He is a crewmember aboard the destroyer USS Spruance homeported in Norfolk, Va., and operating as a unit of the U.S. 6th Fleet.

The Naval exercise involved more than 15 ships and 100 aircraft from the 6th Fleet, along with units from the Italian and United Kingdom navies. It was designed to test naval warfare techniques in a multi-threat environment.

David Lagerstrom and Marc Laubkeman, both seniors from Antioch, have been named to the Dean's Honor List for the winter quarter at Augustana College in Rock Island. To reach this honor, students must post between a 3.5 to 4.0 grade point average.

Globetrotters thrill crowd

A capacity crowd was on hand at Antioch High School on April 2, when the Harlem Globetrotters brought their basketball magic to town. The professional talents displayed by the basketball group, brought over two hours of wizzardry to fans of all ages at the Antioch Chamber of Commerce and Industry sponsored event.

The fans are what keep the Trotters going, according to "Sweet Lou" Dunbar, number 41 on the fun-loving team. "The smiles, especially the little kids, is the reason I keep at it," stated Dunbar.

Throughout their antics, the Globetrotters reflect the smiles by their continuous smiling and joking. The packed house was roaring to the comedy provided by the world reknown team.

Dunbar, a graduate of the University of Houston, is in his third season with the Trotters. Regardless of the long hours of travel and numerous games, Dunbar still loves the game. "I enjoy what I'm doing. Travel does get tough. The season begins with training and runs nine

months with 300 games," he said.

"I like seeing all the smiles," he said. And so does the team that travels with the club. The California Chiefs have lost a great deal of games to the Trotters, but they still laugh with the crowd.

The limber movements of Twiggy Sanders and the dribbling fun of Jimmy Blacklock and Larry "Gator" Rivers kept the crowd amazed.

To add to the excitement of the appearance, first through eighth graders were invited to participate in an essay contest. The topic was based on what the Harlem Globetrotters have meant to the world of sports. A Globetrotter autographed basketball was the prize

awarded to winners in each grade category.

The crowd brought the house down as the Trotters won the game — just like they'll do at the next stop the team makes.

ALLOTMENT

Sequoits lose two in tourney

Only two pitchers were used, something Antioch High School head varsity baseball coach Tom Baba was hoping for, but the Sequoits lost a disappointing two games in a tournament hosted by McHenry.

The Sequoits lost to Elgin 10-5 in the first game April 5, and also lost the second to Elgin Larkin, 6-5 in nine innings.

ROY RAVEN and Terry Dewar each went the distance for the Sequoits. Both juniors, Baba is very optimistic of the development of his mound staff.

"It was a big question mark and in both games, juniors went all of the way," he said. "It could prove to be a bright spot for us."

The Sequoits will get their next test in the league opener against Grant Monday,

April 14. They then travel to Grayslake Wednesday, April 16. Games begin at 4:30 p.m.

In the Elgin game, Dewar struck out five and walked two. Raven struck out three and walked four going the distance in the Larkin game. "They're coming along," Baba said.

"I WAS PLEASED with the two righthanders going all of the way," he continued. "We had no problems with their arms. That's good for this time of year."

Tom Bernet was the hitting standout in game one as he was four of four including a double, however, he was left on base all four times. The Sequoits left 14 on as a team.

Mark Pomazak was three of four and scored once, while having a pair of doubles.

Lake Villa starts bus service

Lake Villa Township residents will have door-to-door public transportation available to them while traveling in the township beginning Wednesday, March 5, when the Regional Transportation Authority (RTA) implements a new dial-a-ride service.

RTA has provided the township with a Paratransit bus, equipped with a lift and two wheelchair tie-downs for operation of the specialized service. The bus is one of 48 purchased by the Authority for dial-a-ride programs in its six-county region.

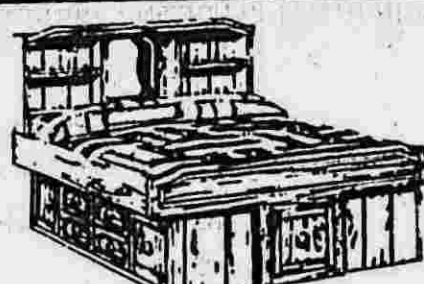

Lake Villa's dial-a-ride service will operate from 9 a.m. to 4 p.m. Monday through Friday. Township residents should call 356-5000 one day in advance to request pick-up service.

One-way adult fare for dial-a-ride service in the township is \$1.50, and 75 cents for students and children

between the ages of seven and 11. Children under seven ride free when accompanied by an adult. Senior citizens and handicapped people who have a RTA Special User Card can also travel for the

75 cent half fare. The service will be operated by Lake Villa Township.

At this time, the dial-a-ride service will only provide transportation within the township.

50 YEARS AGO: APRIL 10, 1930

Is Wilbur Glenn Voliva slipping? Is the overlord of Zion losing his influence in the realm of Lake County politics? Maybe not, but the fact remains that the aid of Zion is not at all a requisite for success at the polls in Lake County. Here's the proof! T.A. Simpson, basking in the favor of Voliva, lost his contest for nomination for county superintendent of schools to W.C. Petty by over 2,400 votes.

Again — Elmer Green, bearing the Zion stamp of approval for sheriff, lost to Lester Tiffany by 4,000. Is it not possible that Voliva will soon cease to hold what politicians are pleased to term "the balance of power" in Lake County?

A very quiet election is in prospect for Antioch next Tuesday. Running in the no contest village election is Harry A. Isccas, for village clerk, H.J. Vox, E.O. Hawkins and Nason E. Sibley for trustees, William A. Rosing for treasurer, and J.C. James for police magistrate. Roy D. Williams and Nellie Brogan are candidates for library directors for three terms.

Now — only two short weeks separate boxing fans from the great fistic classic that has had the resin-beaters on edge for many weeks when the Smart-Dupre battle at the Antioch Palace in the first of a series of elimination bouts to determine the amateur heavyweight champion of Lake County.

Antioch Lumber & Coal Co. will build a \$6,000 home, built just as you want it — where you want it for \$975 down (or a lot appraised at \$975 and \$59 a month).

CITY BRIEFS ... Miss Elsie Dunford has received an invitation to spend the summer with her cousin, Mrs. John Coolidge.

Over 500 people attended the formal opening of St. Peter's new auditorium held Saturday night. The women of the parish served chicken dinner.

30 YEARS AGO: APRIL 6, 1950

Contributing a frantic note in the primary elections, after a very lethargic campaign, was the untimely death of Congressman Ralph E. Church, who was the only candidate on the Republican ticket. A good many "write-in" candidates are campaigning for the nomination.

W.J. Murphy, well-known in Antioch as "Bill," this week announced his candidacy for nomination as Representative in Congress. This is the first time within our memory that a resident of Antioch has been a candidate for an important office of this kind.

Mayor McMillen says he is still planning a cleanup day at the new village park east of the Scout House. He said just as soon as weather permits he will issue a call asking the townspeople to help. The mayor proposed a picnic at noon as a social event, he did not say who would clean up after the picknickers.

Don't look now, but the fabulous flapper of the terrible 20's is due for a comeback in the fretful 50's. Newest indication of that probability is the return of the short evening dress, a favorite of the jazz age, now gaining general acceptance in the bebop era, along with the shingle bob, the shorter skirt and the "bunny hug" coat.

10 YEARS AGO: APRIL 9, 1970

A new Ben Franklin Store, costing an estimated half million dollars will be constructed on Lake St., north of the State Bank of Antioch.

Antioch High School exchange student, Pratchya (Jeed) Rokchartchareon, will be honored with a Deluxe Dessert Buffet, April 17 at 7:30 p.m. in the high school cafeteria. The public is cordially invited.

The Antioch High School will be represented on "It's Academic." Be sure to watch.

Work is progressing well on the new Antioch Middle Grade School being constructed on Rte. 173 west of 59.

Jaycettes to sponsor bowling for autism

The Antioch Jaycettes will sponsor bowling to benefit autistic children from 9 a.m. until 7 p.m. on Sunday, May 18, at the Antioch Bowl, Rte. 173, Antioch.

Autism is a developmental disability which is characterized primarily by impaired or disordered language and communication, failure to develop appropriate social relationships and ritualistic or compulsive behaviors.

The funds raised by this program will be used by the

Elmhurst College Speech Clinic in its continuing fight against autism.

Bowlers will contact as many sponsors as possible who will pledge a definite amount of money for each pin knocked down in a three-game series.

Pledge forms are available at the Antioch Bowl, at the State Bank of Antioch, the First National Bank of Antioch and at Antioch Savings & Loan, or by calling the project chairmen.

Further information about autism or the benefit bowling may be obtained by calling Bonnie Bruski at 395-5047, or Kathy Brey at 395-8495 after 4 p.m.

MEETING

District 4 taxpayers work for Lake Villa cut

A tax ceiling referendum April 19 in Lake Villa Township may cut the next tax bills of neighboring township residents by \$10 to \$16 per year, depending on assessed valuation of each property owner, according to Ron Coles, the township's budget planner.

The referendum was sponsored through a petition in December by members of the Fourth District Taxpayers Assn. The cut requested is the maximum any group can ask for at one

time: 25 percent. If the voters pass it, the corporate tax rate will drop from .250 percent to .1875 percent. The total loss to the township will run over \$47,500, said Coles.

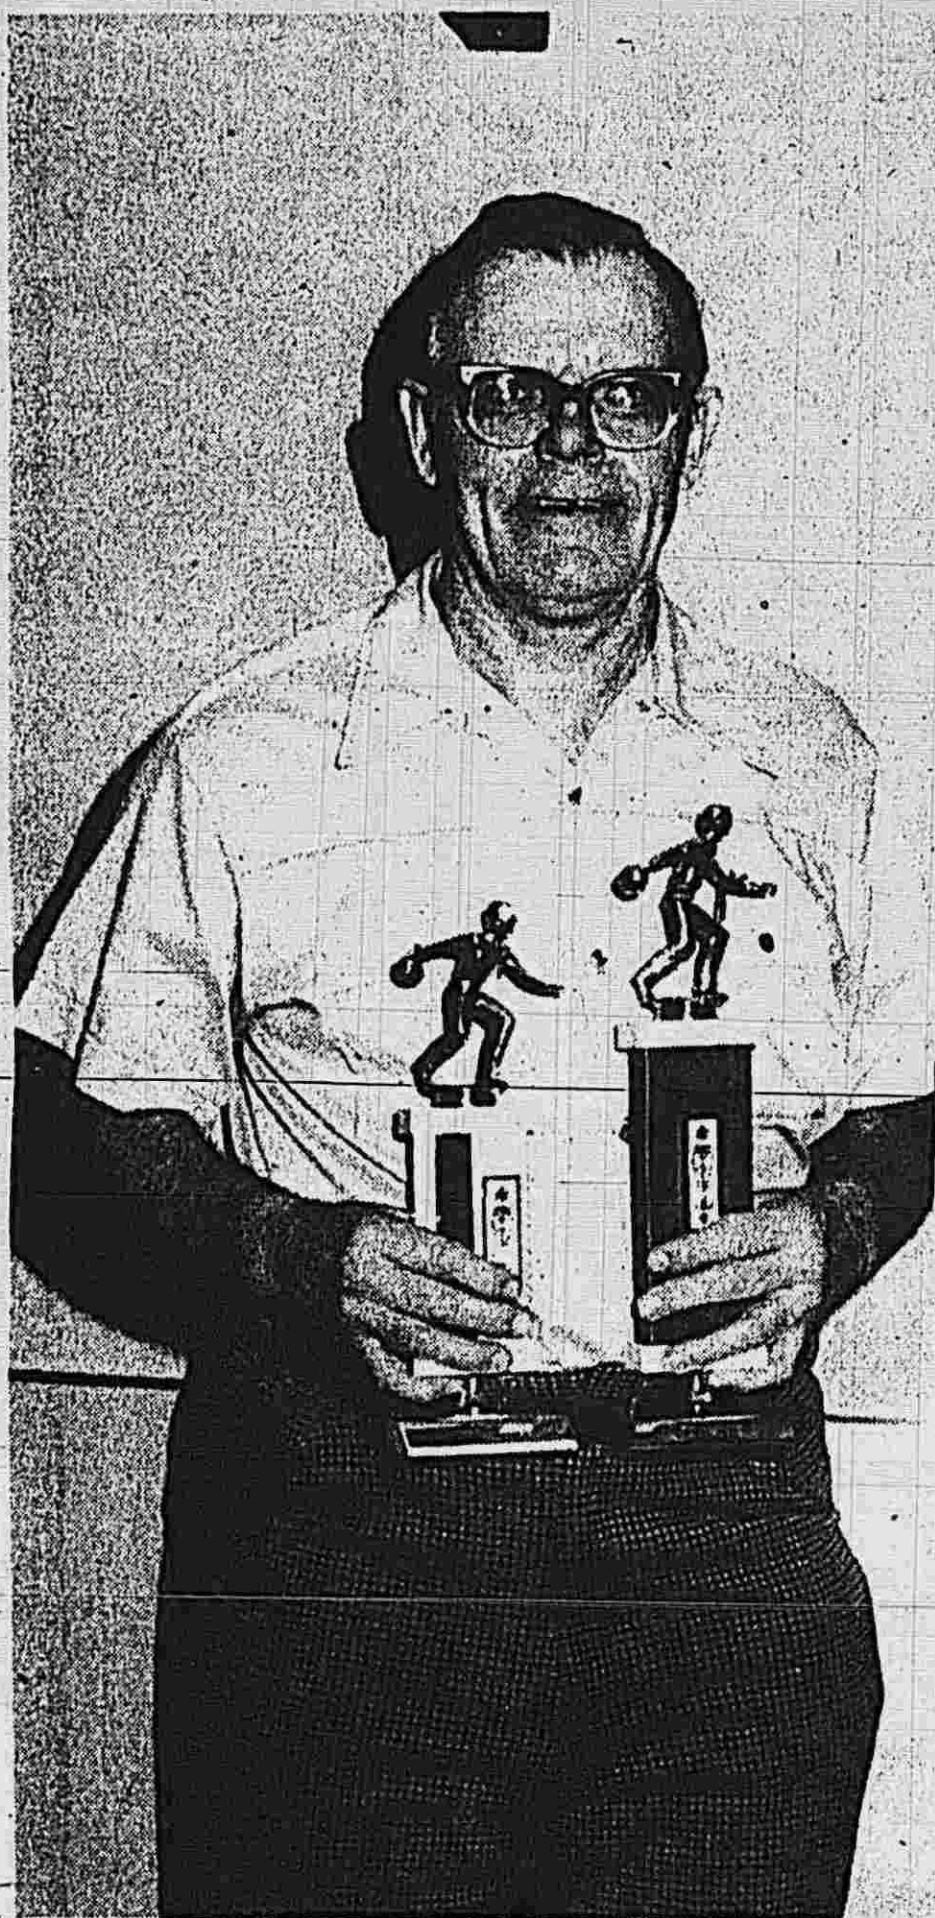

Although the fourth district includes Antioch, the watchdog group thusfar has not turned its attention here.

The organization has hit Grant Township, however. A similar tax ceiling question was included on the March 18 primary ballot in the township. It passed by an overwhelming 1,623 to 388.

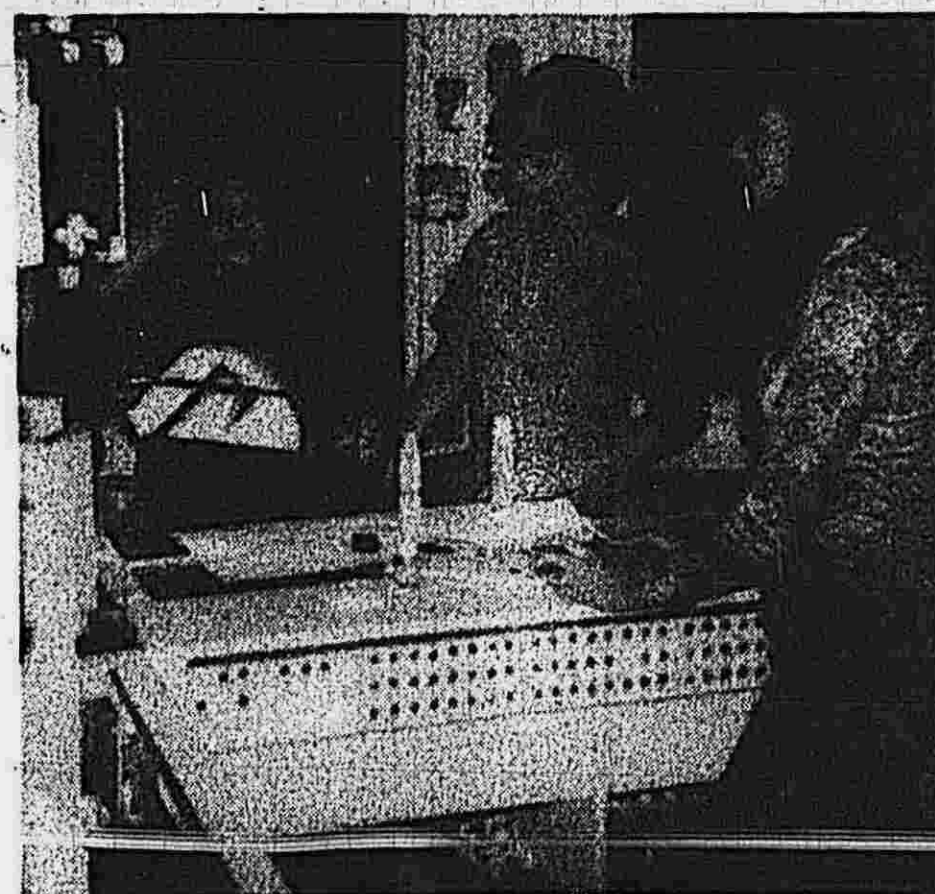

Grant township's library also has been taken to task by the group. It, too, was requested to put a tax ceiling proposal before the voters. No date has been set, however, because a dispute has arisen over the number of signatures needed on the petition for referendum.
